**(1)** Citizens of the EU, EEC (Norway, Iceland and Lichtenstein) and Switzerland are exempted from the requirement to have a long-term visa and from the requirement to have “work permit” when staying in Bulgaria for the period of more than 90 days.

**(2)** Citizens of the Republic of Turkey holding valid regular passports and visas issued by the Member States of the Convention implementing the Schengen Agreement or of the European Union, or residence permits issued by the Member States of the Convention implementing the Schengen Agreement or of the European Union, Switzerland or Liechtenstein, may enter the territory of the Republic of Bulgaria and transit there through without visas for up to 5 (five) days, where their transit is from the Republic of Turkey to the state which issued the visa or residence permit, as well as in case of transit from such state to the Republic of Turkey. Nationals of Turkey, holders of special passports are not visa exempt.

**(3)** Only holders of biometric passports are exempt from the visa obligation. Holders of non-biometric passports still require a visa in which case the visa facilitation agreements apply.

**(4)** Only holders of biometric passports are exempt from the visa obligation. Holders of non-biometric passports and holders of passports issued by the Serbian Coordination Directorate (in Serbian: Koordinaciona uprava) still require a visa in which case the visa facilitation agreements apply.
